Operations Committee and Engineer's Report

Mr. Gade presented an update on the ongoing operations issues at the work session.

Mr. Kynett provided an update on the issue of the developer's reimbursement for the Brookefield project, including his communications with the developer's attorney and the developer's request for documentation of the low-pressure force main constructed as part of the Rose Hill development. Mr. Kynett will continue his discussions with the developer's attorney and keep the Board apprised.

Mr. Gade reported that there has been no further movement on the One Smithbridge LLC project.

Ms. Nelson reported that the attorney for Camp Meeting reached out to both Mr. Kynett and her to discuss the sanitary sewer dedication. Mr. Kynett discussed the open issues with their attorney and advised the Board of their attendance at the May meeting which would require the Board to provide an extension on their dedication deadline.

Mr. Gade reported that the Rose Hill project is continuing to make progress, including the inspection of the grinder pumps as 15 of 33 have been installed.

Mr. Gade restated that Standard Pipe Services will be performing additional testing of the exterior grout injection at the Deep Siphon by plugging the incoming line to test if that pipe is leaking but this work will be handled following the completion of the Delcora I&I removal project. The maintenance of the siphon bell has become more time consuming without producing an improvement in its function. Mr. Tasker will work with KBX to remove the siphon bell and extension pipe to allow flows through the first siphon chamber, similar to the Knowlton Siphon.

Mr. Gade reported that the last manhole lining was completed on March 29 by Standard Pipe Services under the I&I removal project. Mr. Gade reported that Stantec addressed the reimbursement of the repair cost of the Frazer/Schick ROW with Delcora and were assured that SWDCMA will be reimbursed with the close-out of the Standard Pipe Services contract for this project.

Mr. Gade and Mr. Tasker reported on the progress of the improvements at Woodbrook pump station, including the ongoing repair of pump #1 due to the motor continuing to overheat. Stantec will start working with IC&EE on the electrical upgrades in May.

Mr. Gade presented a tentative timeline for the Manhole Repair project that was awarded a 2023 ARPA PA Small Water and Sewer Grant. Mr. Gade confirmed that the proper timeline was previously reported for the grant fund usage.

Mr. Gade updated the Board on the work completed to date under the 2019 PA Small Water and Sewer Grant projects, Open Trench Repairs and Priority One Repairs. Both projects have been completed in full. Mr. Rehab has submitted for their 10% retainage which leaves only the 10%

retainage to be billed by Jurich. Ms. Nelson advised that she has submitted the CFA Payment Applications for both projects.

Mr. Gade reported that a site visit was held on April 12 for the I-95 Industrial Park pipe repair project. Jurich will need to revise their initial quote due to items not being included as well as additional work needed by both Jurich and the property owner. Due to the complexity of the project, Stantec expects construction to be delayed a few months. The quote received for the Garden Lane repair will be presented for Board approval at the May meeting.

Mr. Gade reported that the Design Engineer on the Chester Creek Rails to Trails project was sent Stantec's comments involving the sanitary sewer on the latest plans and that Stantec will continue to follow up on the incorporation of these items. Mr. Kynett previously provided his summary of the SEPTA easement agreement and will continue to work with the Authority in the drafting of an SOP.

Mr. Gade reported that the PennDOT milling of Concord Road began on March 21 and that 27 of the 65 manholes have been completed.

Mr. Gade reported that Stantec will follow up with Pennoni regarding the feasibility study of the Aston Township West Branch Chester Creek Trail.

Ms. Nelson provided the flow information through March 31, 2024 to the Board, which includes the annual true up of the Delcora budgeted flows.

Minutes of the previous meeting

The minutes from the March 25, 2024 General Board Meeting were presented on a motion by Ms. McDermond, second by Mr. Cozza and approved on a 7 to 0 vote.
