**Pledge of Allegiance**

The Pledge of Allegiance was recited by all present.

**In Attendance**

None

**Board Actions**

A motion was made by Mr. Zwiercan, second by Ms. Goodrich-Cairns and approved on a 6 to 0 vote authorizing the August engineering escrow releases to Stantec totaling \$2,912.00 for the following projects:

2260.63	Camp Meeting	\$ 584.00
2260.67	One Smithbridge Road	594.00
2270.78	Springbrooke Industrial	569.00
2270.82	3BK 4121 Aston Mills Road Lot 3	260.00
2270.89	427 Valleybrook Road	905.00

A motion was made by Mr. Cozza, second by Mr. Saudarg and approved on a 6 to 0 vote accepting the proposal from Standard Pipe Services for repairs to the deteriorated concrete inside the bell chamber at the Deep Siphon at a cost not to exceed \$11,800.

A motion was made by Mr. Cozza, second by Mr. Zwiercan and approved on a 6 to 0 vote to accept and record the Deed of Dedication and Transfer of Ownership of Certain Sanitary Sewer Facilities for a single family home on property identified as Tax Folio No: part of 06-00-00027-35 with the sewer facilities located in the road in front of and along the side of the property at an address of 348 Lenni Road, Chester Heights Borough, Delaware County, such acceptance, documents terms and conditions, subject to the review and approval of the Authority Solicitor and Authority Engineer.

### **Operations Committee and Engineer's Report**

Ms. Nelson presented an update on the ongoing operations issues at the work session.

Ms. Nelson reported that Stantec will be following up with PA DEP on the close out of the permit issued for the removal of the Llewellyn Mill dam.

Mr. Catania advised that he is in communication with the title clerk regarding the title insurance for the Brookefield sewer improvements.

Ms. Nelson reported that she is included on the communications from Camp Meeting to the contractor, regarding the completion of the multiple punch lists provided by Stantec for this project.

Ms. Nelson reported that new plans and calculations were received for the One Smithbridge LLC project. Due to PA DEP's approval of the plan revision, which removed the construction of the Smithbridge Road force main in completion by S.B. Conrad, Inc., the connection of 1 Smithbridge Road will be a single connection with a grinder pump and include the construction of a portion of the Smithbridge Road force main down to the property line of 1 Smithbridge Road. The remaining issues with respect to future connections along Smithbridge Road and development of the Powell Tract, must be considered in the review of these plans. The Authority Engineer will communicate with Chester Heights Borough on how they intend on handling these future connections and who bears responsibility for the sewer lines until they are constructed to completion and dedicated to the Authority.

Ms. Nelson reported that the Rose Hill project continues to move forward. Monitoring of the grinder pump installations will continue to avoid conflicts with the sections of sewer to be dedicated to SWDCMA. PA DEP recently approved the sewage planning for the force main extension; however, construction permits are still pending. Ms. Nelson advised that the developer is asking for the Authority to accept dedication of the sewer easement only for the property at 348 Lenni Road as the property is scheduled to go to settlement at the end of September. The Authority Solicitor will present a resolution for this dedication.

Ms. Nelson reported the developer is requesting a refund of the remaining escrow for the project at 2886 Pancoast Avenue. The Authority Solicitor stated that he has received the Township permit, which completes the required documentation. The Authority Engineer will review the final video and provide his comments. Ms. Nelson will prepare the refund following the engineer's approval.

Ms. Nelson reported that the interior of chamber 1 at the Deep Siphon has severe concrete deterioration which did result in a leak and an SSO. The Authority has been making temporary repairs using hydraulic cement which lasts about 2 years. It is recommended that the chamber be grouted and lined with epoxy to protect the cement. Standard Pipe Services has provided pricing not to exceed \$11,800 to complete this work. Chamber 2 will also need to have maintenance performed but it is not crucial to have this done now.

Ms. Nelson reported that the Enbridge access agreement has not yet been finalized. The Authority Solicitor is waiting for a response back from the Enbridge attorney regarding the insurance coverages that are being required by the Authority. Ms. Nelson provided documentation of the Authority's ownership of Catania Way, prior to the meeting.

Ms. Nelson updated the Board on the I&I removal project currently underway in the collection system by Standard Pipe Services and A.J. Jurich, Inc. Ms. Nelson informed the Board of the communication issues at the start of the project that resulted in phone calls to the Township from homeowners. Ms. Nelson reported that those issues have now been resolved and the contractors are communicating with homeowners that will be impacted by the ongoing work. Ms. Nelson was asked to send a notice to the Township Manager that can be posted on the Township website advising customers to call the Authority directly with their concerns.

Ms. Nelson reported that the installation of the new meter pit and 4" meter to accommodate the Township Public Works facility has been completed by Chester Water Authority. Ms. Nelson advised that the larger meter has an increase of about \$285.00 in the monthly base fee. Ms. Nelson was instructed to pass this additional cost onto the Township in their monthly utility billing. Ms. Nelson stated that the Township has been asked to submit both their electric and water meter readings on the 25<sup>th</sup> of each month, which will coincide with the Authority's billing from PECO and CWA.

Ms. Nelson provided the flow information through July 31, 2022 to the Board, which includes the annual true up of the Delcora budgeted flows.

#### **Minutes of the previous meeting**

The minutes from the July 25, 2022 General Board Meeting were presented on a motion by Mr. Cozza, second by Mr. Zwiercan and approved on a 6 to 0 vote.

#### **Treasurer's Report**

Mr. Cozza presented the August treasurer's report in oral form followed by a review of the Authority's statement of cash.

The August 22, 2022 Treasurer's Report, inclusive of accounts payable disbursements, was presented on a motion by Mr. Agnew, second by Ms. Goodrich-Cairns and approved on a 6 to 0 vote.

### **Finance Committee**

Mr. Cozza presented the August 2022 adjustments for sewer service accounts, which totaled \$1,773.97 net credit. On a motion by Mr. Agnew and second by Ms. Goodrich-Cairns, August sewer service account adjustments were approved on a 6 to 0 vote.

Ms. Nelson presented an updated delinquent accounts report.

Ms. Nelson presented an aged receivables report for the FOG program and discussed the difficulty with collecting on the program's delinquent accounts for which the Authority has no enforcement ability. Mr. Balestrieri suggested that the Township take over the billing of the permit fees and the Authority continue to collect the sampling and maintenance reports from the permittees. This suggestion was approved; Mr. Balestrieri will address the matter with the Township.

Ms. Nelson presented a summary of adjustments made over the last five years due to underestimated water consumption on sewer certifications that totaled \$3,958.11. Ms. Nelson advised that she has made a change to the current formula being used to eliminate the vast majority of these underestimations, which are usually under \$100.00. However, when an extraordinary situation occurs where a property's water consumption far exceeds the average quarterly consumption, the Authority has no ability to collect. The Board agreed that in those rare situations, the Authority will consider the unbilled consumption as uncollectible.

Ms. Nelson reported on the progress of soliciting firms for the 2022 annual audit and plans to meet with the Finance Committee in mid-September to review.

Ms. Nelson reported that the annual commercial insurance renewal has been completed with a total premium of \$42,276.00 which reflects an increase of \$1,789.00 over the 2021 total premium. Ms. Nelson reported that with this renewal, the Authority has now secured a 3-year rate on the general liability and property policies, in addition to the 3-year rate on the organizational policies that was secured in 2021.

Ms. Nelson reported that the Authority has provided notice of termination to the current IT service provider and will be transitioning to ChristoIT in mid-September for a full cut over on October 1. Ms. Nelson advised that the annual cost should not increase as the Authority will be on a monthly service fee, which includes both network and workstation service issues.

### **Long Range Planning Committee**

Ms. Nelson presented two calculations for tapping fees for discussion. Updated tapping fees will be presented for Board action in the September meeting.

### **Negotiations Committee**

None

### **Solicitor's Report**

Mr. Catania provided an update on developments in the ongoing legal actions of the Authority.

**Executive Session**

An Executive Session was held from 9:14 p.m. to 9:26 p.m. by the Board members for purpose of discussing personnel issues.

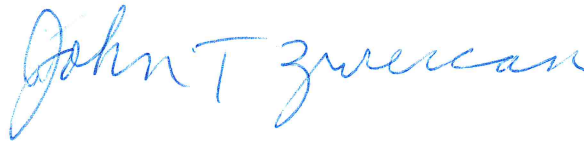

**Other Business**

None

**Adjournment**

The meeting was adjourned at 9:29 p.m.

Attested by,

Secretary, Board of Directors
