Operations Committee and Engineer's Report

Ms. Nelson presented an update on the ongoing operations issues at the work session.

Ms. Nelson reported that the Authority received the first flood insurance claim reimbursement in the amount of \$35,946.20. The initial claim for the 8/7/20 storm event is currently under review by the carrier.

Pact One LLC's work on the repair of the break in the West Branch Chester Creek Interceptor has been completed; however, a continuing erosion issue has now developed across the creek from the initial repair, due to the failed dam. This new erosion has washed away our pipe cover, resulting in exposed additional pipe that is not encased in concrete. The Authority will be obtaining pricing to encase this pipe; however, the logistics to reach the exposed area are

extremely challenging. The carrier had property surveyors on site on November 12 and the Authority has requested copies of the reports, when complete. As discussed last month, until the dam is removed, our interceptor is at risk of future damage/breaks. The Authority Solicitor will reach out to PA DEP for their assistance with the dam. The Authority Solicitor and Authority Engineer will reach out to the Township Engineer, as well.

Ms. Nelson reported that Delco Emergency Management Service has been approved for SBA disaster loans for the August storm events. Ms. Nelson will continue to follow up until a determination is made on the possible grant funding for this storm damage. The restoration of these areas is estimated to cost approximately \$45,000 and has been included in the 2021 budget.

Ms. Nelson reported that there has been no progress on the dedication of the Brookefield pump station; however, a conference call was held on December 2 in which the calculation of the developer's reimbursement for the sewer line extension was discussed. The Authority Engineer presented the Authority's schedule of costs eligible for reimbursement and the possible future connections. Further discussions will be needed before the issue is resolved, including the legal interpretation of the process. Mr. Gade has not received a response from the developer to address a second incident of broken conduits in the pump station as well as the cracked apron on the driveway to the station.

Ms. Nelson reported that 2 sets of drive shafts from Eagle Pump Station were in need of being rebuilt. The 1st repaired set should be installed next week; after which, the 2nd set will be sent out for repair.

Ms. Nelson reported that A.J. Jurich addressed the soil erosion issue at the Deep Siphon by firming up the sinkholes and creating additional berms to prevent further erosion.

Mr. Gade reported that he is awaiting a response from the Township Engineer on the storm water erosion of the Crozerville Road easement creek crossing following our repair of encasing the pipe in concrete.

No further action on the Rolling Hills access road to be reported due to the pandemic; however, the issue was discussed.

Ms. Nelson provided the flow information through November 30, 2020 to the Board, which included the anticipated annual true up of the Delcora budgeted flows. Ms. Nelson reported that KBX started the new contract year working on the maintenance lines.

Minutes of the previous meeting

The minutes from the November 23, 2020 General Board Meeting were presented on a motion by Mr. Zwiercan, second by Ms. Kirby and approved on a 6 to 0 vote.

Treasurer's Report

Mr. Cozza presented the December treasurer's report in oral form followed by a review of the Authority's statement of cash. The December 14, 2020 Treasurer's Report was presented on a motion by Ms. Kirby, second by Mr. Zwiercan and approved on a 6 to 0 vote.

Finance Committee

Mr. Cozza presented the December 2020 adjustments for sewer service accounts, which totaled \$3,797.76 net credit. On a motion by Mr. Zwiercan and second by Ms. Kirby, December sewer service account adjustments were approved on a 6 to 0 vote.

Ms. Nelson advised the Board that she will be securing a new IT service provider due to a diminished level of service being provided by the current company. A meeting is scheduled with a prospective company on December 15, 2020.

Long Range Planning Committee

None

Negotiations Committee

None

Solicitor’s Report

Mr. Catania reported that he will reach out to the Township Manager to discuss the signing offer from American Tower to extend the contract for the utility easement for American Tower. In addition he will contact American Tower to discuss the proposed contract extension to coincide with the Authority’s existence end date.

Mr. Catania provided an update on developments in the legal actions involving the asset purchase of Delcora by Aqua Wastewater, Inc.

Executive Session

The five Board members present, plus Ms. Nelson, entered into Executive Session at 7:42 p.m. for purposes of discussing personnel policy.

Executive Session was exited at 7:48 p.m.

Other Business

Upon exiting Executive Session, a motion was made to provide a one-time policy revision, which would allow for the unused vacation time of the Authority Administrator and the Contracted Services Coordinator to be paid, at their present salary, due to the pandemic conditions of 2020. Polling of the Board members in favor: Mr. Balestrieri, Mr. Agnew, Mr. Cozza, Mr. Zwiercan and Ms. Goodrich-Cairns; those opposed: none.

Adjournment

The meeting was adjourned at 7:49 p.m.

Attested by,
