Board Actions

A motion was made by Mr. Zwiercan, second by Mr. Maiale and approved on a 5 to 0 vote authorizing the November engineering escrow release to Stantec totaling \$1,190.00 for the following projects:

2270.96	Chester Township Digital Sign	\$ 917.50
2270.79	Rose Hill	272.50

A motion was made by Mr. Maiale, second by Mr. Saudarg and approved on a 5 to 0 vote authorizing the Authority Administrator to transfer funds of \$11,227.50 from Money Market Account #1 to the Operating Account for Pay Application #5 submitted by AJM Electric Inc. for electrical work at the Woodbrook Pump Station, as approved with the 2023 Capital Improvement budget.

On the recommendation of the Finance Committee, a motion was made by Mr. Maiale, second by Mr. Zwiercan and approved on a 5 to 0 vote approving the proposed 2024 Budget and Resolution 2023-04 authorizing a rate increase of 3%, effective with the January 31, 2024 billing cycle.

A motion was made by Mr. Zwiercan and second by Mr. Saudarg and approved on a 5 to 0 vote amending Resolution 2023-03, Section B to require the appropriate Authority officials to accept payment in the form of cash, money order or cashier's check only, when a check is returned for non-payment, or a credit card payment is disputed, that has been issued to satisfy the delinquency which caused the property to be posted for water disconnection or disconnected.

A motion was made by Mr. Maiale, second by Mr. Balestrieri and approved on a 5 to 0 vote to accept the proposed 2024 Board of Directors Meeting Schedule for a single monthly meeting of a work session followed immediately by the General Board Meeting via ZOOM and allowing attendance both in person and via ZOOM.

A motion was made by Mr. Balestrieri, second by Mr. Saudarg and approved on a 5 to 0 vote to authorize the acceptance of the Springbrooke Industrial, LLC Sewer Easement and Deed of Dedication in the form presented by the Developer's Attorney, by the signature of the Authority Secretary, countersigned by the Authority Treasurer, and to allow the Developer's Attorney to record the signed and notarized Easement and Deed of Dedication. Further, to authorize the Authority to release the balance in the Developer's Improvement Bond upon the completion of all Developer requirements in the Developer's agreements with the Authority and the Developers completion of the gravel/stone road at the project site and the Authority's receipt of the written approval report of the Road's satisfactory completion by the Authority Engineer.

Operations Committee and Engineer's Report

Mr. Gade presented an update on the ongoing operations issues at the work session.

Mr. Catania reported that the Brookefield dedication documents are in process and that the Authority will not incur the transfer fees for this transaction.

Mr. Gade reported that Standard Pipe Services will be performing additional testing of the exterior grout injection at the Deep Siphon by plugging the incoming line to test if that pipe is leaking but this work will be handled following the completion of the Delcora I&I removal project.

Mr. Gade updated the Board that the I&I removal project is continuing as scheduling allows for Standard Pipe Services. Mr. Gade reported that the reimbursement of the repair cost of the Frazer/Schick ROW would be handled by Delcora to the Authority.

Mr. Gade and Mr. Tasker reported on the progress of the improvements at both Eagle and Woodbrook pump stations. AJM Electric has submitted Pay Request 5 for Board approval for the generator and equipment installation at Woodbrook Pump Station. The generator load test was completed successfully on 11/17/23; however, the motor controller for pump #1 was damaged and not operational. Mr. Tasker is reviewing the cost of replacing the controller with a VFD, which could be used at Eagle Pump Station after the next phase of Woodbrook Pump Station upgrades.

Mr. Gade reported that the 2023 ARPA H2O and PA Small Water and Sewer Grant awards are expected to be announced after DCED's November 21, 2023 meeting.

Mr. Gade reported that the release of the escrow funds for the Chester Township Electric Sign Board project will occur after completion of the sign installation and confirmation of final conditions.

Discussion was held on pipe damage in two locations that are included in the 2024 proposed budget, due to the severity of the damage:

- a. Mr. Gade and Mr. Tasker reported on the pipe decay due to corrosion in the I-95 Industrial Park pipes from MH122B – MH122, which are asbestos concrete. The pipe from MH122B – MH122A may need to be excavated and replaced; the pipe from MH122A to MH122 may be able to be sliplined as the corrosion is less extensive. Mr. Tasker has contacted Alloy Surfaces about coordinating the repairs, including bypass pumping, with their processing flows.
- b. Mr. Gade and Mr. Tasker reported on pipe damage in the Garden Lane easement from MH603 – MH602. Approximately 2' down from MH602 is a shear break with a 4" drop and may require an open trench replacement due to sags in the line.

Investigations into both of these repairs are ongoing so final cost estimates are not yet completed.

Ms. Nelson provided the flow information through October 31, 2023 to the Board, which includes the annual true up of the Delcora budgeted flows.

Minutes of the previous meeting

The minutes from the October 23, 2023 General Board Meeting were presented on a motion by Mr. Zwiercan, second by Mr. Maiale and approved on a 5 to 0 vote.

Treasurer's Report

Mr. Cozza presented the November treasurer's report in oral form followed by a review of the Authority's statement of cash. The November 20, 2023 Treasurer's Report, inclusive of accounts payable disbursements for November, was presented on a motion by Mr. Balestrieri, second by Mr. Maiale and approved on a 5 to 0 vote.

Finance Committee

Mr. Cozza presented the November 2023 adjustments for sewer service accounts, which totaled \$1,684.39 net credit. On a motion by Mr. Maiale and second by Mr. Zwiercan, November sewer service account adjustments were approved on a 5 to 0 vote.

Mr. Cozza reported that the Finance Committee met in November for the purpose of reviewing the proposed 2024 budget and to determine the rate increase necessary to cover the operating expenses for the upcoming fiscal year. In order to meet the Authority's financial obligations for 2024, the committee is recommending a 3% rate increase. Discussion was held among the Board on the subject that included the new connection fees for 2024 as well as the retirement of the S&T Revenue Note Payable at the end of July 2024.

Ms. Nelson re-addressed the issue of accounts being posted for water disconnection that pay their posted balance with a check that is returned unpaid from the bank, which was discussed in the October meeting and resulted in Resolution 2023-03 that now requires all accounts posted for

water disconnection to pay their delinquent balance via cash, cashier's check or money order only. Ms. Nelson advised that the required forms of payment by Resolution 2023-03 are an additional burden and unnecessary in the vast majority of accounts that are posted for water disconnection, as this is an issue that involves less than five customers; but, it occurs regularly with these customers. The Board agreed that (A) accounts that make a payment on a delinquent balance that is posted for water disconnection, which is returned unpaid, be moved immediately to water disconnection and (B) those accounts posted for water disconnection, whose check is returned unpaid by their bank or their credit card payment is disputed, must make payment in the form of cash, cashier's check or money order for the delinquent balance owed.
