Mr. Gade presented an update on the ongoing operations issues at the work session.

Mr. Catania recommended that the Board execute the Deed of Dedication from Valleybrook Homes, LLC for the Brookefield sanitary sewer, initially signed by the developer on October 27, 2021. The document was executed by Board Chairman and Board Secretary.

Ms. Nelson reported that the dedication from Chester Heights Camp Meeting is in progress but not yet completed. Ms. Nelson asked that the Board consider granting a 30-day extension for the completion of this task.

Mr. Gade reported that the Deed of Dedication of the Rose Hill easement between Lots 5 and 6 was executed during the week of September 11, 2023. The Partial Assignment Agreement of the Rose Hill development was executed and payment of the grinder fees escrow, along with the legal and engineering escrows, from DR Horton was received.

Mr. Gade reported that Standard Pipe Services needs to perform additional testing at the Deep Siphon to confirm that the exterior grout injection worked by plugging the incoming line to test if the incoming pipe is leaking. Mr. Gade expects this work to continue upon completion of the I&I removal project.

Mr. Gade that the smoke testing performed by Duke's, at Delcora's request, was completed without major incident. A report will follow from Duke's and Stantec's observations included issues with a few manhole covers and 2-3 homeowner's cleanouts were damaged.

Mr. Gade and Mr. Tasker reported on two recent pipe break incidents in the SWDCMA collection system during the week of September 11, 2023. The break at Frazier & Schick Road ROW was caused by damage during a spot repair by Standard Pipe Services and resulted in a 10-foot section of pipe being replaced. The break at Garden Lane was in a section of pipe that was damaged in 2017 but worsened and collapsed. This resulted in a 10-foot section of pipe being replaced.
